Drinking Water Operator Review Course

October 6, 7 & 8, 2010

*Fulfills the NJDEP exam re-take requirement....great for anyone who needs to review prior to **any** water licensing exam!*

Office of Continuing Professional Education

Drinking Water Operator Review Course

www.cpe.rutgers.edu

Back by popular demand! The American Water Association Works New Jersey Section (AWWA) and the NJAES Office of Continuing Professional Education have teamed up to offer drinking water operators an excellent opportunity to refresh and review prior to taking state licensing exams.

If you have failed a water licensing exam three times (T, W or VSWS), under the NJDEP licensing regulations you are required to take a refresher or review class prior to taking the exam again. This course will fulfill that requirement or are you currently licensed and planning to take a higher level exam in the future? Do you just feel a bit "rusty" and want to gain back your edge when it comes to day-to-day operational knowledge? Whichever category you fall into, this is the course for you!

Combining the Association of Boards of Certification's (ABC) "need-to-know" guides with statistics from recent NJDEP exams and a wealth of professional, real-life experience from our presenters, this course will give you the confidence to conquer the "rough spots" on licensing exams or the "tough spots" faced daily in the workplace. Specific topics will include:

- Water treatment techniques
- Pumps/chemical feeds
- Testing/sampling procedures and protocols
- Facility and equipment safety
- Water quality regulations,
- Math and its applications throughout the workplace
- Valves/hydrants/meters
- Tank/system maintenance and
- Electrical safety and maintenance.

Presentations will focus on areas of concern from recent past exams. You will also have the opportunity to work in small groups on common problems areas.

Course coordinators William Mitchell (Trenton Water Works) and Carol Storms (AQUA NJ) have lined up the best and brightest from across the NJ water industry to participate. Breaks and lunch will allow time to network with the speakers, as well as with other operators and utility personnel.

Do not miss this unique opportunity! Special rates are available for NJAWWA members or holders of current NJ drinking water licenses (T, W or VSWS only).

Note: Current holders of NJ drinking water licenses (T, W or VSWS) will be eligible 18 TCH's for this program.

FOUR CONVENIENT WAYS TO REGISTER

Phone: 732.932.9271, M-F 8:00 AM - 4:30 PM.
Please have your Visa, Mastercard or AMEX number ready.

Fax: 732.932.8726, 24 Hours. Please include credit card information or copy of your check, money order or purchase order with your fax.

Mail: Registration Desk, NJAES Office of Continuing Professional Education, Rutgers University, 102 Ryders Lane, New Brunswick, NJ 08901-8519. Please make check payable to: **Rutgers University**

Web: www.cpe.rutgers.edu

Payment Policy - All students must have prearranged for payment to be admitted to the class (purchase order, check, VISA, Mastercard, American Express or money order).

Refunds - You may withdraw from this course with a full refund (minus a \$50 processing fee) provided our office is notified at least three (3) full working days prior to the start of the course. Beyond that time, registrants may be responsible for the full registration fee.

Substitutions are welcomed.
